ADDITIONAL TERMS AND CONDITIONS:

1. All precautions must be taken to guard against chances of injury or accidents to workers, road users, occupants of the adjacent locality, etc. The supplier must see that all damages to any property which, in the opinion of the Engineer-in-Charge, are due to the negligence of the supplier are promptly rectified by the supplier at his own cost and expenses and according to the direction and satisfaction of the Engineer-in-Charge.
2. Transportation arrangement: The contractor shall arrange for all means of transport required for carriage and supply of materials and also the materials required. The bidder must consider this aspect while quoting rate.
3. Authorized Representative of Contractor: The contractor shall not assign the supply or sublet any portion of the supply. The supplier may however, appoint an authorised representative in respect of one or more of the following purpose only.
4. Any notice, correspondences, etc. issued to the authorized representative or left at his address, will be deemed to have been issued to the supplier.
5. **Extension of time:-** For cogent reasons over which the contractor will have no control and which will retard the progress of supply, extension of time for the period lost will be granted on receipt of application from the contractor before the expiry date of contract. No claim whatsoever additional establishment, enhanced cost of materials and labour and hire charges of tools & plants, vehicles etc. would be entertained under any circumstances. The supplier should consider the above factor while quoting his rate. Applications for such extension of time should be submitted by the supplier in the manner indicated in respective Clause of form.
6. **Forced Closure:-** In case of cancelling of the supply by the Department after work order, the supplier will be eligible to be paid for the materials supplied and reimbursement of supply actually received thereof, but not for any losses.
7. Underspecified Materials:- The supplier shall remove all underspecified materials, as directed.
8. Charges and fees payable by supplier:- The supplier shall receive all notices and pay all fees required to be given or payable to by any statute or any regulation or by-law of any local or other statutory authority which may be applicable to the supply and shall keep the Department free against all penalties and liabilities of every kind for breach of such statute regulation or law.
9. Realization of Departmental claims:- Any sum of money due and payable to the supplier (including security deposit returnable to him) under this contract may be appropriated by the Government and set off against any claim of Government for the payment of sum of money arising out of this contract or under any other contract made by the supplier with the Government.
10. Commencement of work:- The supply must be taken up within the date as stipulated in the work order and completed in all respects within the period specified in the Notice.
11. **Supply of approved materials:-** The supplier shall be responsible for supply of materials as per the sample as approved. Any underspecified materials will not be received by the receiving person of the materials or to be removed immediately, within 24 hours of receipt of notice for the same.
12. Timely supply of materials:- All the supply must have to be completed in all respects within the time as mentioned in the work order to be issued by the competent authority.
13. No compensation to the supply or stock damaged by rain or traffic will be entertained.
